October Newsletter

The President's Corner

Kathy Helwick

"They may be looking for a Good Sam group and just don't know it yet." This is the way Tim Moran described the owners of a RV that just moved into the storage lot that Morans and Helwicks use. It was a funny comment, and I laughed, but then it got me to thinking.... not only about those folks, but all the RV drivers out there. How many of them are looking for a Good Sam group and just don't know it yet? Do you come in contact with such a person? Perhaps where you store your vehicle? Or at the grocery store? Or in your neighborhood?

October at Tres Rios Campground is one of the best campouts we have. The campground has refreshing scenery with trees and the rivers. There is plenty to do near by. And the weather should be delightful. What better time to introduce someone to our club!? So, give it some thought..... Do you know someone who may be looking for a Good Sam group and just doesn't know it yet? Bring them to our October campout.

September Meeting:

Good Sam Campout Business Meeting Minutes for September, 2005.

Sherry Moran

We combined our Sept. campout with the Perrin mini-rally and had such a good time that we didn't hold a business meeting. Our group was responsible for Hospitality for the mini-rally and put out the coffee and cookies on Thursday and Friday mornings, plus lemonade, tea and cookies on Thursday afternoon. Those campers can really eat cookies!

Our group, the Morans, the Helwicks, and the Baileys, ate at the Green Frog in Jacksboro on Thursday night and made a side-trip to Mineral Wells on Friday. Marge helped out with serving the catered meal on Friday night. The Midway was great fun on Saturday afternoon, with lots of prizes and some really "interesting" games! The entertainment every night was good, and included a yodeler, a gospel quartet, and a country swing band – something for everyone!

Happy Birthday!

Happenings:

Sad news – Tim & Sherry Moran’s kitty, Shadow, has passed on.

Shadow was about 17 and had been part of the Moran family for over 15 years.
A well traveled kitty, she had traveled with them through 44 states and 8 Canadian Provinces.

She **will** be missed.....
