October is here and with the cooling change in the weather, it looks as if Fall Has Fell ! Central Daylight Time reverts back to Central Standard Time this month – remember, “Spring Forward, Fall Back.”

All of our members are back home, with the Baileys and the Foitek's showing up at the Meet & Greet – yea!

This is a short newsletter after last month's blockbuster, but we have our Branson trip coming up and Thanksgiving and Christmas will be here before we know it. If you have any pictures or information, let me know ASAP!

Past Events:

Sally Ford and Jackie Reid took our donated books to the Children's Unit at Trinity Medical Center in Carrollton. They were much appreciated!

The Oct. M & G was at Buca di Beppo at Stonebriar. We had a great turnout, plus the Foitek and the Baileys were home again. Johnny and Patti Lutrick brought their granddaughters, who were really good and we all sang "Happy Birthday" to "Herbie" Ford!! Lots of good food, good friends and good times!

Members Summer Trips:

Pat & Lew Foitek

One of the September highlights in Long Beach, WA, was the Rod Run, an annual car show with over 1,000 antique cars. It was really neat.

Our son Jason flew up to Long Beach for a visit. After showing him around Long Beach and the Oregon coast, we went to the Olympic Peninsula, across the Juan de Fuca Strait from Victoria, BC. Our boss and co-workers were great about giving us some extra time off. We had a great time.

The lighthouse is Northhead in Long Beach. Next is at Hurricane Ridge in Olympic National Park.
